

NEVADA FACING THE FISCAL CLIFF

Inflation is a heavy burden on the average Nevada family.

IT COSTS **\$1,175/MO** OR **\$32,544** SINCE JANUARY 2021*

- ✓ For years, reckless spending has driven up the debt burden and is responsible for inflation. Over 80% of Hispanic voters are worried about the country's debt and its effect on their family budgets.
- ✓ Nevada residents can't afford to have their tax cuts expire.
- ✓ The Tax Cuts and Jobs Act lowered taxes. As an important driver of economic growth, the legislation helped push unemployment to its lowest rate in 50 years.

*This number represents the cumulative monthly inflation totals from January 2021 to July 2024 (jec.senate.org)

Unfortunately, key provisions in the Tax Cuts and Jobs Act will expire this year.

THIS WILL CAUSE THE AVERAGE NEVADA FAMILY'S TAXES TO INCREASE BY **\$3,523**. INCOME TAX RATE HIKES WILL ACCOUNT FOR **\$1,556** OF THIS INCREASE.

- ✓ Tax Cuts and Jobs Act expirations will also raise taxes on businesses and slow the economy disproportionately affecting Latinos.
- ✓ There are **18,845 traditional C corporations** and **54,665 pass through entities** in Nevada. These businesses **employ 593,677 and 627,304 Nevada** residents respectively.

8,754 JOBS LOST The expiration of economically important, pro-growth provisions will Nevada **8,754 jobs**.

\$1,535 TAX INCREASE Tax Cuts and Jobs Act expiration will increase the average Nevada Business's taxes by **\$1,535**.

WE NEED A TAX CODE THAT WORKS FOR EVERYONE

KEY TAKEAWAYS

1 PROTECT TAX CUTS

ENSURE the Tax Cuts and Jobs Act provisions are made permanent to avoid tax hikes and job losses. 80% of Latino voters believe they are paying too much in taxes and if given the option between keeping current rates and raising them 92% of Latinos would keep the current tax rates.

2 SUPPORT SMALL BUSINESSES

77 PERCENT OF VOTERS AGREE that small businesses would be hurt by allowing the Tax Cuts and Jobs Act to expire. With nearly 1 in 4 new businesses being Latino-owned and those businesses seeing rapid growth, a higher tax burden could mean a significant loss of potential economic growth. Tax Cuts and Jobs Act expiration could lead to a tax hike for 72% of Latino businesses*

3 PROTECT THE STANDARD DEDUCTION

OVER HALF OF LATINO VOTERS believe that increasing the standard deduction was the most helpful provision to American families in the 2017 Tax Cuts and Jobs Act which put more money in the hands of Americans. 91 percent of Latino voters agree, the American Dream is falling further out of reach. Raising taxes will only make economic prosperity harder to achieve.
